December 2021

2022 London Auditions - Venue Announcement

The news that talented event professionals in the South have been waiting for is now OUT!

The venue for the 2022 London Auditions of the award winning **Events R Talented** talent competition will be the King George 3rd Room in **The Brewery.** An iconic venue situated in the heart of London.

We will be holding the audition on the evening of the 6th April directly following The BNC Show which takes place in the Porter Tun Room.

Yes, that's right!! We have partnered for this year with Kim Paulden, Alec Mumford and the amazing team at **The BNC** to host the 2022 London Auditions.

So, a massive thank you to you all at **The BNC**, it's going to be a great night!

A big thank you also to James, Kelly and the senior management team at The Brewery for the use of the King George 3rd room in the evening

So, all you budding singers, dancers, comics, musicians and performers out there in the event professional world. Now is your chance to shine and show us that talent you've been keeping quiet about!

Register your initial interest now either by completing our online form at www.eventsrtalented.co.uk or by emailing us on hello@eventsrtalented.co.uk

Remember, our final winner will perform at **2022 M&IT Awards Dinner** and that person will also be invited on a trip to the Caribbean with **Sandals Resorts** in 2023.

Importantly, you will also be helping raise funds for our nominated charity for 2022, the fantastic **Hospices of Hope** who raise funds for children with life threatening or life limiting illnesses in Europe's poorest countries, Moldova, Serbia, Romania and Albania.

Commenting, Ken Findlay from **Events R Talented** said. "We are absolutely delighted that our London venue is to be The Brewery and to be able to follow on directly from the excellent BNC Show is just brilliant. A massive thank you to Kim, Alec and everyone involved in making this happen".

More details on what the **Events R Talented** team are doing will be released over the coming weeks and months.

These include the dates and venue of the Northern Audition in Leeds as well as our final in June, exciting news about our comperes and judges for both auditions and final.

Not only that but also more detail on our new donations page, the range of prizes available for our auctions and raffle as well as detail on how our audience can register for the 'live' events.

We look forward to receiving more audition entries, welcoming lots of event professionals to our live events and raising a lot more money for **Hospices of Hope** via our wonderful partner **'Meeting Needs',** the internationally recognised industry charity.

-ENDS-
