PRESS RELEASE
For Immediate Release

Vii-Events announces its Event-Tech Integration Partners Marketplace.

Multi award-winning 3D 360º virtual and hybrid events platform Vii-Events are delighted to announce that they have launched a unique marketplace portal to encourage collaboration amongst this hotly contested virtual-events environment.

Vii Events believe that to be truly an ‘all-in-one’ platform, you have to collaborate with other successful event tech companies and utilise the best solutions like AMMP, CatchTheMICE, CLIPr, Duelbox, Engamio, evmux, Incentli, InGo, Gleanin, Hio Social, Picture Mosaics LLC, One-V LTD, TRiPLE D Illustrations, twine, Twigged_io, VidiPlus, Wordly Inc to maximise your client delivery. This provides the ultimate customer experience in terms of networking, gamification, live streaming, marketing & registration, hybrid events, live captioning & interpretation.

It is Vii-Events’ strategic objective to offer comprehensive integrations of differing services and solutions from within the readily evolving event tech sector.

Stas Zaslavsky, CEO of Vii Events said “We have, and continue to source, the best third-party integration partners that seamlessly integration with Vii-Events; this offers endless possibilities for our clients and significantly improves the customer experience for our clients and their guests. We don't take a commission. It's transparent, and we work strictly with our partners' pricing & policy

“In the same way as we have partnered with Catch the MICE as our strategic partner, leading business development and customer support in the UK and Ireland, we always look for the

best in class and utilise their strengths; this provides huge synergy for all parties involved and assists us with our end objectives."

Notes to Editors:

Vii Events is an Israeli based 3D virtual events company founded in January 2020. Vii Events provide a fully bespoke 3D immersive virtual event platform solution for event organisers. Vii Events believe that it is vitally important to create a unique story to immerse attendees into a reality that he/she has never seen before, creating a memorable experience that connects the event and the brand story behind it. Vii Events work with them providing not only a stimulating visual environment, but also additional tools to assist, such as enhanced gamification to support the event design and create a unique and engaging experience.

Catch the MICE is a new and innovative sales representation / strategic partner based in Manchester, UK. Catch the MICE introduces independent hotels, venues, virtual event platforms and hybrid solutions to UK MICE event organisers. Led by Managing Director Stuart Mitchell, who with over 30 years of experience within the hospitality and events industry, leads the consultancy and joins the dots, between event organisers and venues / services, who are seeking to thrive and reposition themselves in this rapidly changing events environment.

To know more about any of the services offered by these companies please contact Stuart on stuart@catchthemice.com or alternatively by telephone +44 (0)7771 946614.
