The We Do Wedding Podcast

Connecticut based wedding vendors, Regina Burrus of Weddings by Regina Marie and Cate Barry of Cate Barry Photography bring you blatantly honest wedding planning tips and advice by interviewing our fellow wedding pros and asking the questions that you'd ask, getting the honest responses that you need. We are devoted to bringing our listeners information straight from the vendors who say “We Do” to making your wedding dreams a reality. Each week we’ll talk with wedding professionals who share about their businesses, offer tips and expertise, and divulge behind-the-scenes stories and secrets that will help you plan your perfect wedding. As a Wedding Planner and Photographer, we spend the most time with couples between the months (and sometimes years!)-long planning process, engagement session, and the wedding day itself--so who better to bring you the raw and nitty gritty!? Join us each week as we bring you new episodes of The 'We Do' Wedding Podcast!

The Room Block

By sharing our stories we can find better solutions. Join us in The Room Block to hear conversations with compelling professionals from the world of events and hospitality. Guests share unique perspectives on their journeys, inspirations, and challenges so you can gain insight into different facets of the industry. Hosted by Jen Salerno, who has spent the last 20 years working in various positions from hotels to housing bureaus, learning along the way that the more we understand each other, the more we can achieve together.

Join our expert hosts, Tamara Cook and Melissa Howie, as they take you backstage, into the green room, behind the AV desk, the hotel basement and everywhere in between to bring you the best event tips going around. Behind The Clipboard is the easiest and most entertaining way to pick up the extra skills you need to take your events from drab to fab - and all packaged in a weekly sound bite for you to enjoy on-the-go, wherever you are!

Trade Show Insights

Tools to improve your exhibit results

#swagandrepeat

#swagandrepeat is a weekly podcast that covers the networking events that make up the meetings and events industry of Orlando, FL. In addition we will highlight upcoming events, discuss breaking news in the industry, mention event job openings and talk about non industry events/news that may interest our listeners. Each week our show also includes a guest from the industry who joins our three hosts for a discussion on their career progression, what is that latest news in their current role and where they tend to network and get involved within the industry. In addition to the podcast, #swagandrepeat hosts about 4-6 event per year to help aid in networking, celebrating our industry, and supporting local hospitality related philanthropies.

Trade Show University for Virtual & Live Events

All Value, High Energy and Proven Info for those who want better results from their Virtual & Live Trade Shows, Conferences, Expos and Webinars. It's time to get excited about Trade Shows and get what you need to Crush Your Show Goals. Developed and hosted by trade show veteran Jim Cermak, Trade Show University brings proven information from Jim's 30+ years in marketing and training, plus his experience planning and exhibiting at 100's of trade shows, events, expos, conferences and more. The podcast will also feature interviews with industry experts to discuss topics geared to help companies really get better results. I get a little overly excited talking about trade shows because I know how much time, money, energy and resources go into planning and exhibiting. In most cases it really doesn't take any more effort to do the right things and get better results, claims Jim Cermak. I started this podcast because I want companies to stop setting for average or below average results. I want companies to win and get excited about trade shows again! Trade Show University is geared toward small- to medium-sized businesses in a B2B setting. However businesses of all sizes, including those marketing to consumers can benefit and find value. Each episode focuses on a specific topic pertinent to trade show exhibitors, and is about 20 minutes long. Many episodes will have Jim bringing his energy while discussing a specific topic, and others will feature industry experts who will share their knowledge and expertise. It's the quick, high-energy, value-packed approach that is different and makes this podcast a resource professionals will appreciate. To listen to podcast episodes, get information and free tools, and to sign up for email updates, go to www.TradeShowU.biz. Trade Show University will also be featured on Apple Podcasts, Google Podcasts, Spotify and other podcast outlets.

Trade Show Talk Podcast

Trade Show News Network is excited to launch the 'Trade Show Talk' podcast that will feature two episodes each month, focusing on hot-button topics. Each episode will kick off with a news round up before host Megan Powers leads discussions with trade show and events industry leaders. We have an opportunity to hear from our peers and industry leaders in an intimate and interesting way through this show. As we all navigate the changing times together as a community, this show will give us the insight and tools we each need to succeed.

The Event Tech Talk Show Podcast

The Event Tech Talk Show is a LIVE podcast brought to you by Event Tech Live a series of events bringing together event planners and event technology suppliers Each episode features industry professionals discussing various aspects of event technology from virtual events, event marketing, marketing technology, Saas and the future of the events industry

If you want to binge on past episodes or learn more about the show, visit http://asktheplannerpodcast.com.You can also send questions or suggestions or future topics or guest suggestions via your Apple Podcast review, email asktheplannerpodcast@gmail.com or submit the form on the website http://asktheplannerpodcast.com.Don't forget to follow the show on Instagram at @asktheplannerpodcast!

The Event Safety Podcast

Welcome to the Event Safety Podcast, your source for ideas, discussions, and news from the world of live event safety.

The Association Show

More binge-worthy than Squid Game, more motivating than the mamas in Bridgerton, this show will help you reinvent your association's strategies for events, membership, and leadership. With this series, you can burst into 2022 with the same power as The Hulk busting through a brick wall. If you are: - Struggling to define what the next year will look like for your association - Having a hard time keeping your members engaged - Finding it hard to bring future generations on board - Drowning in your own content and are unable to get it to the right members - Feeling like you're in a rut and running short on inspiration Then this show is for you!

exChange by Allseated

Each season of exChange focuses on a specific topical disruption impacting event planners ability to create intentionally designed experiences in both virtual and in-person events. Industry veteran Nick Borelli of allseated interviews thought leaders, educators, and practitioners for their critical insights in order to prepare planners for what's next. Disruption can be a powerful opportunity if you're prepared. Consider this your prep course!

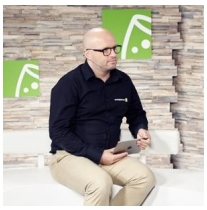

Hoteliers Hot Topics

The IHG Owners Association are the most established, successful and distinctive hotel owners association in the industry. With more than six decades of experience, we know what it takes to bring about unprecedented change and achieve monumental goals.We are pleased to present to you this series of bi-monthly podcasts with the IHG Owners Association hosts, Carly Hunt and John Stuart, as we discuss "Hoteliers Hot Topics" aimed at IHG franchisees, bringing you key insights for the market through our incredible guests who are specialists across a variety of roles in the hospitality sector.These Podcasts are not staged interviews, they are genuine honest round table discussions sharing information for you to take back to your hotels and businesses to assist your future success. In each episode we will share visions, best practices and market insights on a variety of topics, because as an Association, we know we are "Better Together".To learn more about us visit www.owners.org or contact carly.hunt@ihgowners.uk

The Unconventional Wedding Planning Podcast

Welcome to The Unconventional Wedding Planning Podcast! This podcast is for brides, grooms and anyone else who doesnt feel represented in mainstream wedding media. Haven't been dreaming of your big day since you were six? Don't care about chair covers or personalized napkins? Thinking about eloping, nixing the wedding party or only spending $5000? You're in the right place! From engagement to honeymoon and everything in between, join me as we plan weddings that are about what we really want - not what Instagram tells us we should want. NEW EPISODE EVERY WEDNESDAY (if not sooner!)

eventplanner.net Podcast

Stay up-to-date and expand your knowledge about event management with the eventplanner.net podcast. The best eventplanner.tv episodes on event marketing, bite-sized in audio format for in your car, while sporting, ... Every week a new interview with experts and opinion makers from the event industry.

What If I Told You...? Event Psychology Podcast

A podcast for event professionals about how to transform events using insights about human behavior and mind.

The Deep Dive Podcast

Conversations with association thought leaders that get under the surface of the latest headlines. By focusing on one overarching issue per episode this series is the perfect antidote to the age of information overload.

Put A Ring On It: The Wedding Planning Podcast

Wedding pros, Daniel Moyer and Danielle Pasternak, come together to share their wedding industry and wedding planning knowledge through stories, interviews, tips and practical advice. In the wedding world, there is a great deal of dated information prancing through the interwebs and the Put A Ring On It podcast was created to help couples navigate the modern world of weddings by knowing which rules are ok to break and why certain traditions have stood the test of time. The show is created for anyone planning a wedding and wants insider knowledge and downright sensible wedding planning advice.

The Big Wedding Planning Podcast

A fun-loving, wildly experienced Wedding Consultant shares her deepest, darkest secrets to help you plan your wedding. You'll learn a lot. Laugh even more. And most importantly get the inside scoop on how to make the most of your big day. Inclusivity is of the utmost importance to us, so this podcast is for EVERYONE. This is not your traditional wedding blog. Trust us. You can't make this stuff up. Email us your questions and we will answer! thebigweddingplanningpodcast@gmail.com If you love the show, please call and leave a message! You might hear yourself on a future episode! (415) 723-1625

Inclusively Yours

Inclusively Yours is a wedding planning podcast featuring LGBTQ+ tips, advice and love stories. Brought to you by Love Inc., an equality-minded® wedding publication.

Desert Island Events

The Event Industry's Creative Podcast. Host Narmeen Kamran talks to event professionals and icons about their dream event, no holds barred.

[Bosses & Bourbon | Wedding & Event Podcast]

Welcome to Bosses and Bourbon, a truthcast of real wedding and event bosses, talking shop, swapping the stories and strategies that make their business successful. There may or may not be bourbon. Krista Chapman of Path & Compass, marketing & strategist to the wedding and event industry works with a lot of smart, hard-working bosses in her consulting work. Entrepreneurs that you've never heard of that are rocking out their independent wedding and event businesses. Owner-operators that have created solutions and strategies that WORK. Listen to these candid conversations where Krista and her guest boss, talk shop (maybe over drinks) and get real about running a successful business in today's wedding and event industry.

[Beyond The Venue with MG The Venue Specialist]

Hello! I'm MG the Venue Specialist, host of Beyond the Venue Podcast! We recorded Season 1 in the Spring of 2021 to elevate stories from my friends in the hospitality and entertainment world whose careers and businesses were impacted by the pandemic. It is now the Fall of 2021, and this collective trauma is still ongoing. Season 2 features several of my colleagues from the hospitality and event industry, as well as teachers and professors from a variety of disciplines. I interview other podcast hosts, storytellers, bartenders, parents and everything in between! I've asked my guests to share their stories and experiences, and they absolutely blew me away with what they have been able to accomplish. Just like Season 1, my guests and I dive into some serious topics, but we have no shortage of humor and entertainment in store for our listeners. I want you to feel like you're having a beverage with us - sharing stories and learning from one another. Season 2 starts Friday, October 1st and new episodes will be released every Friday!

[Flipping the Tin]

A podcast from Sardines Digital Engagement, where we talk to event industry specialists, policymakers, conference organizers, and attendees about the future of conferencing and events. Sardines Digital Engagement specialises in digital and hybrid events, building digital branded communities, and connecting colleagues meaningfully online. We emphasize engagement, inclusivity, and sustainability. Want to know more? www.sardines.biz or info@sardines.biz

Convention Center Podcast

Welcome to the Convention Center Podcast bought to you by the Myrtle Beach Convention Center. Podcast guests are industry professionals that will share relevant content, related to the conventions, trade shows, public events, and sport competitions and tournaments. We invite you to listen monthly, making our southeast convention center podcast your inside source to best practices, hot topics, meeting industry trends, and innovative and creative marketing in the hospitably and event industry.

Brand ambassadors, event staffers, tradeshow magicians and live presenters 'Face The Event' introduces the faces and personalities in-and-around the trade show and events industry , with your host, Scott Tokar.

Upon Arrival | Events & Incentives with Adelaine Ng

Upon Arrival is a podcast for the people creating unforgettable travel and event experiences for corporate clients. This community thrives on inspiration, ideas and strategies which are needed now more than ever through a pandemic. No one really knows when this travel-dependent industry will truly revive. But the drivers for incentive travel are still strong and it's just a matter of finding where the success stories are. Upon Arrival aims to uncover these stories to see how the strategists amongst us are learning new ways of doing things and even discovering new destinations and experiences that might not otherwise have been considered. We talk about mindset, personal development, pivot ideas and of course, what's happening with the travel and events industry.

The Aisle

'The Aisle' hosts, Trista and Storm are the luxury wedding designers and coordinators behind BTS Event Management. After gaining 15k followers on Instagram and testing the waters with their previous wedding planning podcast, 'She Said Yes', they wanted to elevate and expand their audience so along came 'The Aisle' - a brutally honest and informative bridal podcast that streams on iTunes, Google Play, and Spotify. This podcast talks about everything that could happen on and off the aisle. Topics include; wedding planning, bridal trends, do's and dont's, and the top celebrity wedding news. They have previously welcomed leading professionals from the wedding industry, such as: Berta, Galia Lahav, and ABC's bachelorette, Desiree Hartstock. Tune in to see who guest stars on this season of The Aisle!

Welcome to The Illuminate Project Podcast! Our casual conversations shed light on creative minds who defy the status quo in the meetings industry and will inspire you to embrace change, switch your mindset, and learn from stories of failure and triumph. TIPP is curated from 3 major Canadian cities, with 3 unique perspectives but just 1 mission, to inspire you to do things differently. Created, written, and produced by: Marie-France Watson, Tim Whalen & Ryan Young. www.switchidea.co | @illumin8proj

The Event Producer Podcast

Where event professionals go to grow. Hear stories from working professionals in the event industry from meet-ups to music festivals. Stay up on the latest techniques, technology, and industry insight.

Events That Made Me with Liz Taylor

Events Planner Liz Taylor interviews celebrities and business leaders about the events & life lessons that contributed to their success. Liz has been organising events for 30 years and in this podcast series, opens up her black book to invite an eclectic mix of people to discuss the events that made them. Every interview is accompanied by an 'Air Extension' - an episode dedicated to Liz's breakdown of the themes from each interview.
