

‘Enter into an alternate reality venue this Christmas’

Trying to find an original venue that will surprise and delight for the work Christmas party can be a pressured and thankless task. So this year, prepare for the unexpected and step into an alternate reality at Hijingo – the ultimate high-octane, immersive, multi-sensory bingo experience hosted by the uber cool Hijingobots.

And what if we even said, someone could be walking out with £1,000 cash just in time for Christmas? That would certainly make it a party to remember! Well that’s the top prize one lucky winner could be playing for in our thrill seeking shows which comprise seven rounds of bingo.

Four Christmas themed packages starting from £49 per person are available which include a carefully curated festive menu of small and main plates such as BBQ glazed tofu puffs, cured salmon skewers and braised beef short ribs as well as insta-worthy cocktails and other alcoholic and non-alcoholic drinks.

Based in central London, Hijingo offers an incredible backdrop to your event amongst the vibrant night-life of Shoreditch. This out-of-this world event space can accommodate up to 200 seated guests – ideal for both small and large scale parties.

Ideal too for taking your meeting or conference to the next level, with state-of-the-art equipment and both hybrid and live-streaming capabilities. This is a glimpse into the future of conferencing and it won't disappoint. Mind-blowing video and motion graphic capabilities, stadium-grade lighting, surround sound, and exceptional delegate lunches.

The Christmas packages are:

- Christmas Sharing Feast: 3 games of Hijingo bingo. Selection of small plates and house drinks for table. Available Monday – Friday. £49pp

- Christmas Feast Early Week: 3 games of Hijingo bingo. Selection of small plates followed by a main and sides to share. House drinks for table. Available Monday – Wednesday until 5pm. £49pp
